BSTC GROUP Inc

For more than 60 years, our Company has been proud to be among North America's leading and most reputable importers of high quality building products, home improvement and home furnishing products, and materials used for further manufacturing. Having its origins in the spice trades of Southeast Asia, the Company had dramatically expanded its Product Groups since the 1970's, becoming specialized and concentrated in select Products, established both exclusive and very special trade relations with manufacturers of prime quality and price-competitive Products throughout the World.

Today, BSTC Group, Inc. operates its Product Groups under three subsidiary Companies; BSTC Building Products & Nails, Inc., BSTC Home Products, Inc., and BSTC Metal Agencies, Inc.

BSTC Building Products & Nails, Inc. Subsidiary is wholly engaged in the DIRECT-MILL CONTAINER DELIVERY SERVICE of a wide range of building materials and manufacturing materials, for single products, and for multiple products by consolidation. Our Company's Product Consolidation feature is available for most Products and serves as the ideal vehicle by which inventory control and cost savings are brought together.

The Company continually adds new, related products to the existing core line of Products under the Champion Nails®, Champion Screws®, and Double Star® trademarks, as well as under client-requested Private Logo labeling.
